

MAGIC DMVB15

15.5 mil premium scrim vinyl banner (*matte*)

PRINTER COMPATIBILITY

DESCRIPTION

Magic DMVB15 is a 15.5 mil premium inkjet coated scrim banner with an opaque, tear-resistant, polyester scrim sandwiched between two PVC layers. DMVB15 is still the standard for long lasting, durable indoor / outdoor banners produced with inkjet printers. DMVB15 has superior water, scratch and UV resistance and can be installed with grommets, pole pockets, wind slits and other common banner installation techniques.
